Breakfast and Lunch Costs

This year, the Othello School District is offering **free lunch** to all students K-12.

School Lunch OR Home Lunch: Not both

Students may choose to either eat lunch made in the school kitchen or to bring lunch from home. However, due to state and federal regulations with the school lunch programs, students who get lunch from the school are not allowed to also bring “extra” food from home. Students who bring lunch from home are not allowed to purchase school lunch, with the exception of one carton of milk. Students are not allowed to give/share food to other students or trade food.

Students Going Home for Lunch

If a student plans to go home for lunch during the school year, we will need a note signed by the parents or guardians giving him/her permission to do so. If your child goes home every day, you can send one note covering the entire school year, and we will keep it on file. Students will not be allowed to leave the school grounds without a permission slip. Students going home must sign out in the office before leaving the school grounds and sign in when they return to school.

Attendance: What we know!

The most important thing is that our students learn every day. Their attendance and coming to school on time are of the utmost importance. Our teachers are here to help every student, in every situation, every day. Students and parents need to also do their part to make sure students are coming to school ready. “Attendance is a critical building block for student learning. If students are not present, they cannot engage in learning. Attendance is a powerful signal and leading indicator of equity. It can signal when students might need additional support and areas for system and school

improvement. Chronic absenteeism impacts all students—no matter their age. Students that miss just two days a month for any reason are more likely to not read at grade level, and more likely to not graduate. “

<https://ospi.k12.wa.us/student-success/support-programs/attendance-chronic-absenteeism-and-truancy>

Attendance Policy

State law requires that schools inquire about every absence. Hiawatha Elementary requests either a note or a telephone call from the parent or guardian when a child is absent (Rosa Salas @ 509-488-3389 Ext 5004). If a call or note is not communicated to the school, the absence will be considered unexcused. Regular attendance is essential for successful progress in your child’s education. Your child should be in school every day that they are physically able. The law (RCW 28A.225.020) requires that the school conference with the parent(s)/guardian after two unexcused absences in a month. A petition will be filed with the Juvenile Court when a fifth unexcused absence in one month and/or a tenth in a school year occurs.

Absences are excused for the following:

- Illness, health condition, family emergency or religious purposes/instruction
- Participation in school approved activities
- Family emergencies
- Absence directly related to homeless status
- Absence resulting from disciplinary actions
- Court, judicial proceeding
- Activities pre-approved by the principal, ***which do not adversely affect the student’s educational progress***

Arrival and Dismissal

Students may arrive at school **no earlier than 8:15** as we have very limited supervision before then. At Hiawatha Elementary, student safety is a priority. Hiawatha’s Safety Plan includes a policy to help ensure the safety of all students, families, and visitors to the school as they enter or depart from the parking lot and load/unload zone.

One of the busiest times of the day on our campus is the arrival and dismissal of over 600 students. Hiawatha staff members monitor student safety and traffic flow during these times. We need YOU to help us keep the students safe and traffic flowing smoothly. We want to stress the need for everyone to pay attention to our student safety patrol and crossing guards, as they direct student and vehicle traffic.

Bike	Dismissed by homeroom teacher and directed by safety patrol. Must walk bikes on campus.	3:20 p.m.
School Bus	Students are released to their designated areas based on grade. Only students that ride the bus can be in these areas.	3:30 p.m.
Family Vehicle	Dismissed when visible to staff members assisting with dismissal. Students must wait on sidewalk until parent pulls up to sidewalk. Students may not cross the pick up area to the drive through(outer lane) area. Parents may also park in the parking area. Parents may not park in the drive through lane of the parking lot as it blocks cars trying to leave. See below*	3:20 p.m.

Pick-Up Changes

If you need to make adjustments to how your child will be transported home (bus, walk, parent pick-up) please notify the office **no later than one hour prior to school dismissal**. This allows enough time for the office to communicate clearly with students and teachers.

Drop Off/Pick Up Zone*

If you would like to drop-off/pick-up your student, we have designated a lane in the parking lot as an unloading/loading zone. This lane is intended to keep the traffic flow moving. This lane is for “unloading/loading only,”

DO NOT PARK OR LEAVE YOUR VEHICLE UNATTENDED IN EITHER LANE

Once you are in the unloading/loading lane:

- Stop the vehicle in the **RIGHT** lane for students to exit/enter safely.
- Drop off time begins with the arrival of the patrol at 8:15 AM.
- If you are picking up a student after school, remain in your car and form a line in the right lane, along the curb, closest to the entrance of the building.
- Students are to wait for you in the load/unload area in front of the school.
- When the car in front of you exits the right lane, drive forward. This allows waiting cars to enter the right lane and wait for their child or be able to drop off their child.
- Do not leave your car unattended in the load/unload area - you must remain in your car!
- Use the left lane **ONLY** to exit the loop. **DO NOT DROP OFF OR PICK UP YOUR CHILD IN THE LEFT LANE.**

Parking

If you prefer to park your car, please park in designated parking spots. **Do not block a parked car or use the parking lot as a pick up/drop off lane**. When exiting the parking lot, please be respectful of other cars and take turns exiting. When walking, we ask that you use the crosswalks and follow the directions of our crossing guards, as it is their duty to help keep the crosswalks safe. Walking between cars creates a highly dangerous environment for children.

Thank you for working in partnership with us in order to keep our students and staff members safe, as well as the traffic in the parking lot flowing smoothly. We hope you will continue to treat our staff and student safety patrol with respect and kindness as they work to keep the Hiawatha parking lot safe. Remember, all it takes is for one person to not follow the drop off/pick up procedure to snarl the traffic flow. Your cooperation is essential to keeping our students and community members safe.

Before and After School Policy

Before School

- **Please do not send students to school early. However, for students who arrive before 8:20 am, they should go through the front doors of the school and outside to the playground. There will be limited supervision for students who arrive early.** If the weather is extreme, students will be sent to the gym.
Note: Students are not to be in the office or hallways before 8:25am
- At 8:25, students are to go directly to their classrooms.

After School

- Students are not to congregate in any area of the school, especially in the hallway in front of the office.
- Students are not to roam hallways or classrooms at any time after school.
 - **Parent Pick up:** Students may wait **IN FRONT OF THE SCHOOL** if they need to wait to be picked up, **not** along the bus area pick up on Hamlet.
 - **Bussers:** Students must wait in designated areas. They may not go to other areas without permission.
- In addition to the above, students need permission and a pass from an adult anytime of the day to; go to the office, restroom, leave the playground, go to another classroom, etc. Students must have a permission slip to be in, or walk to an area that he/she is not designated to be in.

Illness

Your child will be sent to the health room if they become ill at school. Parents will always be notified if the situation needs further medical attention. **Make sure the office has a current EMERGENCY NUMBER when parents cannot be reached.** It is also important that the office be made aware of any unusual medical situations.

Administration of Oral Medications at School

It is the policy of our school district that medications will only be administered when the failure to receive the medication may result in the student being unable to attend school and/or to be well enough to participate in learning activities. We define medication to mean all medicine, whether prescription or over-the-counter which includes aspirin. Children are not permitted to carry any type of medication to or from school or have any at school. Also, medication must be brought to the office by the parent, never left in the classroom on the teacher's desk, or in the student's lunchbox or backpack. **The district must also require you to supply written, current and unexpired instructions from a physician or dentist and the medication must be in the original container.** If your child must take medication of any kind, the form is available in the office for you and your physician to complete.

School Safety

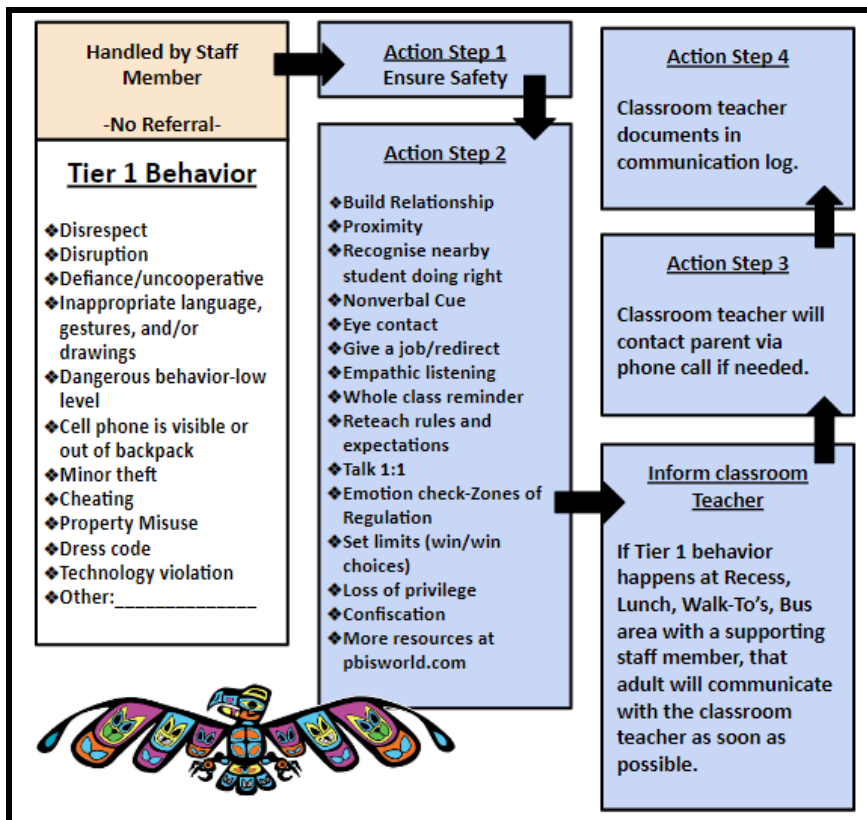

Othello School District takes school safety seriously. Our Safe Schools Initiative incorporates the elements of Positive School Culture, Staff Training, Functional Exercises, Physical and Digital Safety Protocols and Emergency Response Measures. We are being intentional in regards to identifying who is on our campuses. All visitors will be identifiable by a temporary ID badge and staff will wear their ID and/or uniform. All classrooms and exterior doors will be locked. Staff are asked to 'Say Something, if they See Something' from suspicious behavior to unidentified persons and unidentified packages. Only by working together can we create a safe environment for our students and our future.

PBIS and School Behavior Expectations

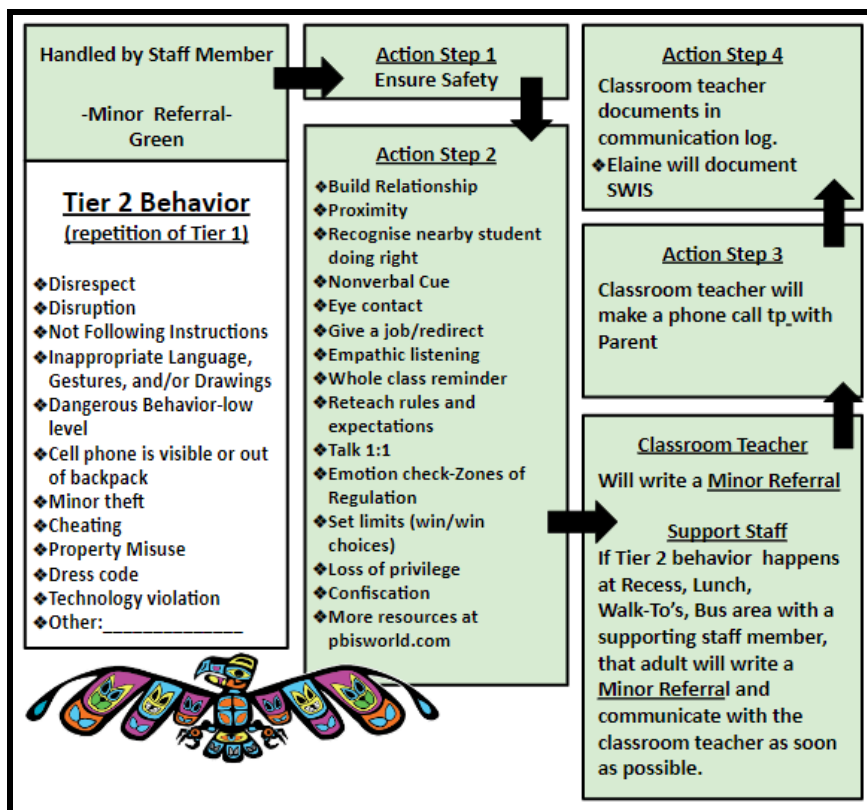

Positive Behavior Interventions and Supports (**PBIS**) is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success. Each year Hiawatha implements behavioral supports and social culture for students to improve on-task behavior, increase academic performance, and decrease office discipline referrals, suspensions and detentions, and disruptive behavior.

Hiawatha's Behavior Supports and Processes

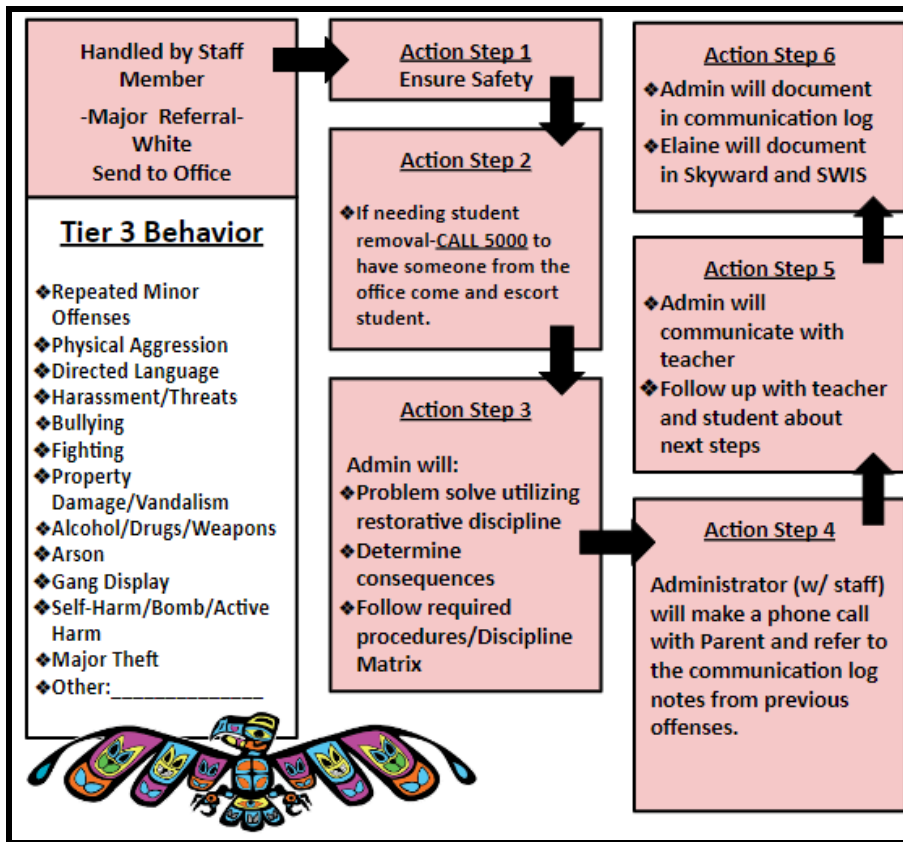

Tier 1 Behaviors and Processes

Tier 2 Behaviors and Processes

Tier 3 Behaviors and Processes

Discipline Policy

Discipline plans have been developed for all four Othello elementary schools. These plans are frequently reviewed and modified to fit the changing needs of our students. The discipline philosophy of the elementary schools can be best summarized by saying that high expectations are maintained for student behavior, and that staff members work closely with students and parents to develop problem solving and behavior management expectations with students and parents.

The most important aspect of discipline is good home to school communication. The Othello elementary schools' administration feels that it is important to contact parents immediately if a problem exists with a student. We also encourage parents to contact the school when there is a question concerning the discipline being used with their child. Many times with a conference, a more effective approach can be worked out together. Our ultimate goal is to help our children become responsible and independent citizens. Please review the updated discipline matrix to see how building administration will look at each situation intentionally to determine how to best intervene and support your student.

Disciplinary Referrals

Disciplinary Referrals summarize inappropriate behavior and resulting consequences for more serious behavior problems, including those resulting in being placed on the Discipline Matrix. When a student has received a minor referral, the teacher or staff member will fill out a **Minor Offense Referral Form** and the teacher will also notify the child's parents(s)/guardian(s). If there is a pattern of minor behaviors or a major behavior, the teacher will fill out a **Major Offense Referral Form** and send it to the principal/assistant principal for consultation or action. The teacher and/or the principal will also notify the child's parents(s)/guardian(s) and a copy of the referral will be sent home.

Discipline for Students with IEPs

In some special cases, state regulations require that adaptations in disciplinary procedures be made to accommodate students being served under an Individualized Education Plan (IEP). Consequently, discipline for these students may be individualized and unique. The following procedures will take place if a student on an IEP is referred for a long-term suspension (more than 10 days) or has a series of suspensions creating a pattern of exclusion:

- ✓ An IEP team, including Parents, Teachers, and Principal/Assistant Principal will meet to determine whether the misconduct is a manifestation of the disability or due to an inappropriate placement.
- ✓ If it is agreed upon by the IEP Team that the misconduct is a manifestation of the disability or due to an inappropriate placement, the proposed disciplinary action will not take place, and an IEP meeting will be convened to develop an appropriate placement.

If the IEP Team agrees that the misconduct is neither a manifestation of the disability nor due to an inappropriate placement, the proposed disciplinary action may be implemented. An IEP meeting will be convened to determine procedures for serving the IEP during the long-term suspension/expulsion period.

*****Expulsion for a dangerous weapon is mandatory and for at least one academic term. Readmission process required. Parents/Guardians and Police will be notified.**

OSD Weapons Policy-Othello School District No Tolerance Weapons Statement:

The Othello School District has a no tolerance policy toward students who are in any way involved with a weapon on school property or at a school activity. The recommended penalty for possession or involvement with a weapon on school property or at a school activity is expulsion. Expulsion is a state requirement if the weapon is a firearm. Weapons have no place and will not be tolerated in the school environment.

We have had some instances of students being at school or on school property with toy weapons or with other items that could be construed to be weapons. These include toys that look like guns or other weapons, pellet guns, paintball guns, and variations of knives. These items will be considered weapons and shall result in severe penalties including expulsion.

The Othello School District also has a no tolerance policy towards students who make threats to do severe bodily harm. These types of threats will be taken seriously and may also result in expulsion.

School property related to this policy includes school buildings, play fields, athletic fields, and parking lots.

Dress Code: Othello School Board Policy No. 3224- Elementary Dress Code

In general students should dress in neat, clean appropriate clothing that does not disrupt the educational process. This specifically includes the following:

1. No bare midriffs or styles that show one's undergarments. All shirt sleeves should reach the shoulder(two student fingers wide). Bare midriff is any time skin shows above the pants and below the top while the student is in the normal range of motion.
2. Footwear, at a minimum, must meet minimum safety requirements in any educational environment or setting. (Playground, PE, Classroom)
3. No clothing advertising alcohol, tobacco, drugs, weapons, or insinuating sexual, discriminatory, or violent messages.
4. Shorts and skirts may be worn-but must be at least fingertip length. Rips and holes in pants/jeans must all be below fingertip length as well.
5. Clothing must fit appropriately. Oversized clothing is not to be worn. Pants or shorts are to be worn at the waistline and must be no more than two inches larger than waist size. Pants or shorts that have large or revealing holes are not acceptable.
6. Any dress that promotes gang activity in a public school setting is strictly prohibited for any individual student or groups. We understand gang dress, tattoos, and styles evolve through time and this enforcement will be at the discretion/judgment of the school administration. If necessary, we may consult with Adams County Juvenile Court and/or the Othello Police Department.
7. Accommodations can be made for medical or physical needs with approval from the school administration.

Students found to be violating this policy will be asked to immediately conform to the policy and will be subject to disciplinary action according to the Othello School District Discipline Policy.

Parent Concerns

When a parent raises a concern with a teacher, the following steps will be taken:

1. Teachers will try within 24 hours to contact the parent and confirm that the concern was received.
2. If applicable, the teacher will speak to the concern and will monitor the situation.
3. If applicable, the teacher will investigate the concern with the child or with the other teachers that serve the child if appropriate.
4. The teacher will contact the parent and either discuss and resolve the issue over the phone or set up a meeting so that it can be discussed in person.

5. The teacher will keep documentation (copies of notes home, emails, meeting notes) of the resolution.
6. If additional teachers that serve the child need to be aware of the resolution, the teacher will make those teachers aware.

When a parent raises a concern with an administrator, the following steps will be taken:

1. The administrator will listen to the concern.
2. The administrator will ask the family how they can support the plan they made with the teacher to address the concern.
3. If needed, the administrator may facilitate a meeting with the teachers and family.
4. Document the concern and the response.

Student Cell Phones

The Hiawatha Elementary policy on student cell phones is that if a student chooses to bring a cell phone to school, that phone must remain in his/her backpack and turned off while the student is at school. When the student leaves campus, he/she may turn the phone back on.

If a phone rings or a student is seen with a cell phone, a staff member may confiscate the cell phone and send it to the main office for safe keeping. An administrator will contact the student's parent/guardian to come and get the phone.

Hiawatha Elementary will not be responsible for the loss of, or damages to any phone that is brought to school.

Volunteering

Please call us or stop by if you are willing to volunteer in our school. We always need parents, grandparents, and community members to assist our children in reading one-on-one, doing hands-on activities, chaperoning field trips, assisting in fundraisers, and much more. If you are interested in volunteering, please stop by the office and complete the **Volunteer Clearance Form**. **For the safety of all children, ALL volunteers must be cleared through the Washington State Patrol before working with students.**

Prior to volunteering in a classroom, parents must speak with the teacher to discuss their role, length of visit, and any additional information that will empower the parent to support the teacher and students during instruction. We hope to see you here!

Visiting School

Please feel free to visit the school at any time. To assure you are directed to the proper area, and to also help us keep track of the visitors at our school, **all visitors must have identification and will check in with the office** before going to a classroom, the cafeteria or the playground.

District Graffiti Policy

Purpose:

1. Provide a safe and orderly environment for all individuals throughout the Othello School District.

Violation of this policy will result in an immediate application of the school disciplinary policy approved by the Othello School District Board of Directors.

Our Schools Protect Students from Harassment, Intimidation, and Bullying (HIB)

Schools are meant to be safe and inclusive environments where all students are protected from Harassment, Intimidation, and Bullying (HIB), including in the classroom, on the school bus, in school sports, and during other school activities. This section defines HIB, explains what to do when you see or experience it, and our school's process for responding to it.

What is HIB?

HIB is any intentional electronic, written, verbal, or physical act of a student that:

- Physically harms another student or damages their property;
- Has the effect of greatly interfering with another student's education; or,
- Is so severe, persistent, or significant that it creates an intimidating or threatening education environment for other students.

HIB generally involves an observed or perceived power imbalance and is repeated multiple times or is highly likely to be repeated. HIB is not allowed, by law, in our schools.

How can I make a report or complaint about HIB?

Talk to any school staff member (consider starting with whoever you are most comfortable with!). You may use our district's reporting form to share concerns about HIB (<https://othello-wa.safeschoolsalert.com>) but reports about HIB can be made in writing or verbally. Your report can be made anonymously, if you are uncomfortable revealing your identity, or confidentially if you prefer it not be shared with other students involved with the report. No disciplinary action will be taken against another student based solely on an anonymous or confidential report.

If a staff member is notified of, observes, overhears, or otherwise witnesses HIB, they must take prompt and appropriate action to stop the HIB behavior and to prevent it from happening again. Our district also has a HIB Compliance Officer (Sandra Villarreal, Executive Director of Human Resources • 509-488-2659 • svillarreal@othelloschools.org) that supports prevention and response to HIB.

What happens after I make a report about HIB?

If you report HIB, school staff must attempt to resolve the concerns. If the concerns are resolved, then no further action may be necessary. However, if you feel that you or someone you know is the victim of unresolved, severe, or persistent HIB that requires further investigation and action, then you should request an official HIB investigation.

Also, the school must take actions to ensure that those who report HIB don't experience retaliation.

What is the investigation process?

When you report a complaint, the HIB Compliance Officer or staff member leading the investigation must notify the families of the students involved with the complaint and must make sure a prompt and thorough investigation takes place. The investigation must be completed within 5 school days, unless you agree on a different timeline. If your complaint involves circumstances that require a longer investigation, the district will notify you with the anticipated date for their response.

When the investigation is complete, the HIB Compliance Officer or the staff member leading the investigation must provide you with the outcomes of the investigation within 2 school days. This response should include:

- A summary of the results of the investigation
- A determination of whether the HIB is substantiated
- Any corrective measures or remedies needed
- Clear information about how you can appeal the decision

What are the next steps if I disagree with the outcome?

For the student designated as the "targeted student" in a complaint:

If you do not agree with the school district's decision, you may appeal the decision and include any additional information regarding the complaint to the superintendent, or the person assigned to lead the appeal, and then to the school board.

For the student designated as the "aggressor" in a complaint:

A student found to be an "aggressor" in a HIB complaint may not appeal the decision of a HIB investigation. They can, however, appeal corrective actions that result from the findings of the HIB investigation.

For more information about the HIB complaint process, including important timelines, please see the district's [HIB Policy 3207](#) and [Procedure 3207P](#).

Our School Stands Against Discrimination

Discrimination can happen when someone is treated differently or unfairly because they are part of a protected class, including their race, color, national origin, sex, gender identity, gender expression, sexual orientation, religion, creed, disability, use of a service animal, or veteran or military status.

What is discriminatory harassment?

Discriminatory harassment can include teasing and name-calling; graphic and written statements; or other conduct that may be physically threatening, harmful, or humiliating. Discriminatory harassment happens when the conduct is based on a student's protected class and is serious enough to create a hostile environment. A hostile environment is created when conduct is so severe, pervasive, or persistent that it limits a student's ability to participate in, or benefit from, the school's services, activities, or opportunities.

To review the district's Nondiscrimination Policy 3210 and Procedure 3210P, visit <https://go.boarddocs.com/wa/othello/Board.nsf/Public>

What is sexual harassment?

Sexual harassment is any unwelcome conduct or communication that is sexual in nature and substantially interferes with a student's educational performance or creates an intimidating or hostile environment. Sexual harassment can also occur when a student is led to believe they must submit to unwelcome sexual conduct or communication to gain something in return, such as a grade or a place on a sports team.

Examples of sexual harassment can include pressuring a person for sexual actions or favors; unwelcome touching of a sexual nature; graphic or written statements of a sexual nature; distributing sexually explicit texts, e-mails, or pictures; making sexual jokes, rumors, or suggestive remarks; and physical violence, including rape and sexual assault.

Our schools do not discriminate based on sex and prohibit sex discrimination in all of our education programs and employment, as required by Title IX and state law.

To review the district's Sexual Harassment Policy 3207 and Procedure 3207P, visit <https://go.boarddocs.com/wa/othello/Board.nsf/Public>

What should my school do about discriminatory and sexual harassment?

When a school becomes aware of possible discriminatory or sexual harassment, it must investigate and stop the harassment. The school must address any effects the harassment had on the student at school, including eliminating the hostile environment, and make sure that the harassment does not happen again.

What can I do if I'm concerned about discrimination or harassment?

Talk to a Coordinator or submit a written complaint. You may contact the following school district staff members to report your concerns, ask questions, or learn more about how to resolve your concerns.

Concerns about discrimination:

Civil Rights Coordinator: Sandra Villarreal, Executive Director of Human Resources • 509-488-2659 • svillarreal@othelloschools.org • 1025 S. 1st Ave Othello, WA 99344

Concerns about sex discrimination, including sexual harassment:

Title IX Coordinator: Sandra Villarreal, Executive Director of Human Resources • 509-488-2659 • svillarreal@othelloschools.org • 1025 S. 1st Ave Othello, WA 99344

Section 504 Coordinator: Heidi Wagner, Director of Special Education • 509-488-2659 • hwagner@othelloschools.org • 1025 S. 1st Ave Othello, WA 99344

Concerns about discrimination based on gender identity:

To **submit a written complaint**, describe the conduct or incident that may be discriminatory and send it by mail, fax, email, or hand delivery to the school principal, district superintendent, or civil rights coordinator. Submit the complaint as soon as possible for a prompt investigation, and within one year of the conduct or incident.

What happens after I file a discrimination complaint?

The Civil Rights Coordinator will give you a copy of the school district's discrimination complaint procedure. The Civil Rights Coordinator must make sure a prompt and thorough investigation takes place. The investigation must be completed within 30 calendar days unless you agree to a different timeline. If your complaint involves exceptional circumstances that require a longer investigation, the Civil Rights Coordinator will notify you in writing with the anticipated date for their response.

When the investigation is complete, the school district superintendent or the staff member leading the investigation will send you a written response. This response will include:

- A summary of the results of the investigation
- A determination of whether the school district failed to comply with civil rights laws
- Any corrective measures or remedies needed
- Notice about how you can appeal the decision

What are the next steps if I disagree with the outcome?

If you do not agree with the outcome of your complaint, you may appeal the decision to [identify the decision maker on appeal identified in board policy (e.g., the School Board)] and then to the Office of Superintendent of Public Instruction (OSPI). More information about this process, including important timelines, is included in the district's Nondiscrimination Procedure 3210P and Sexual Harassment Procedure 3205P.

I already submitted an HIB complaint – what will my school do?

Harassment, intimidation, or bullying (HIB) can also be discrimination if it's related to a protected class. If you give your school a written report of HIB that involves discrimination or sexual harassment, your school will notify the Civil Rights Coordinator. The school district will investigate the complaint using both the Nondiscrimination Procedure 3210P and the HIB Procedure 3207P to fully resolve your complaint.

Who else can help with HIB or Discrimination Concerns?

Office of Superintendent of Public Instruction (OSPI)

All reports must start locally at the school or district level. However, OSPI can assist students, families, communities, and school staff with questions about state law, the HIB complaint process, and the discrimination and sexual harassment complaint processes.

Transportation Disciplinary Procedures

The Transportation Supervisor/designee, in conjunction with the building principal, is responsible for correcting those students whose unacceptable behavior results in a bus conduct report or violation of the rules noted above.

The principal or other school official shall provide supervision during the bus arrival and departure times at his/her school. The principal shall aid in enforcing that students comply with the specified regulations. Open lines of communication among school officials, bus drivers and the transportation department must be maintained.

When waiting for a bus, or going to and from a bus stop, students are responsible for conducting themselves according to the social and legal mores that apply to adults in public. They must not abuse or cause damage to private or public property; they must not use obscene language or gestures; and they must not engage in criminal activity. Failure to adhere to these mores may result in formal complaints by citizens to the proper law enforcement agency.

Student Bus Passes/Notes

Bus passes (from student's school office) or notes from the parents are required for students who wish to depart the bus at a different authorized stop or to ride a different bus to or from school.

****All changes in student transportation must be done before 2 p.m.****

Bus for Preschool/Kindergarten

The Othello School District Transportation procedure is that Preschool/kindergarten students being transported by bus have a responsible person to receive them at their bus stop. If parents/guardians believe the child is capable of attending to his/her own needs and may be dropped off without a responsible person in attendance, the District then requires that information to be in writing from the parents/guardian in the form provided by Transportation.

Parents Riding Buses

Only students and staff of the Othello School District are allowed to ride the school bus. However, parents of students enrolled may be given permission to ride the bus to/from school if they are assisting in a classroom and there is space available on the bus. Permission must be pre-approved through the Transportation Department or School office.

Parent Communication with Bus Drivers

Due to safety reasons and time, boarding a school bus to talk to the bus driver or a student is prohibited. It is best to contact the bus driver through the Transportation Department (488-3741). This will ensure that the driver has adequate time to discuss your needs and concerns. Clarification of the rules and procedures should be directed to the Transportation Supervisor.

Video Camera

The district and bus driver's goal is to increase safety while transporting students to and from school. Video cameras are on all buses as a tool to help improve student conduct.

OSD Computer/Internet and Network Use
